"Y" MEN ON WAR PATH

[illegible] "Y" men of the school have [illegible] to take upon themselves the [illegible] of seeing that none but those officially honored wear "Y"s. In accordance with this decision [illegible] last week and President [illegible] of the student body appointed [illegible] chairman of the "Y" [illegible] the members the [illegible] out [illegible]

Freshie President Speaks

The Freshman class of 1921 is one of the largest that ever rapped at the doors of the dear B. Y. U. When we first came we were timid and as some people would say green but our presence in the school was like the blossoms and green apples of the old apple tree we were needed to produce the large red juicy apples that brought joy to many hearts. So we knew that if we grew and developed like the apples that we will some day reach the top of the ladder and go out into the world to bring joy to the hearts of our fellow men.

Our class firmly believes in the [illegible] that have been instituted by the Seniors [illegible]

Freshman Edition

Freshmen How Will You Finish?

It isn't how you start a thing that counts but how you finish up. The Freshman Class has made a splendid beginning. There are one hundred and ninety bright alert men and women registered in this school as Freshmen. The thought comes [illegible] will there be one hundred and ninety Sophomores, Juniors, and graduates?

The men and women who have been through three years in this institution are the Seniors who are most valuable. They understand and appreciate the ideals and traditions of the school. [illegible] other school of the west are opportunities for ser[illegible] as great as at the B. Y. U. After all the purpose of an education is to learn how to serve. [illegible]

[illegible]

When choosing the school that should be your Alma Mater you undoubtedly took this fact into consideration, and you chose the "Y." Having chosen it you are imbued with its high ideals, you feel its spirit pulsating through you, you feel the desire to serve. This fact is evident by the way you have gone into the activities this year. Representatives of your class have [illegible] a place on almost every team that represented the "Y" in inter-collegiate meets, both forensic and athletic this year, and they have made a splendid showing.

New freshmen [illegible] going to stick to the "Y" [illegible]

VARSITY LOSES TO NEVADA

Friday evening the local team was defeated at Reno by the University of Nevada. The decision was unanimous in favor of that institution. This is the first debate that Nevada has ever won from the Brigham Young University. Out of ten debates our school has won nine victories. We congratulate our Nevada friends [illegible] breaking a long established [illegible]

THE MEN'S JAMBOREE

Every now and then a fellow likes to be just a kid again. Not especially a rowdy kid, but just a carefree [illegible] boy, with nothing on his [illegible] but fun.

With such a [illegible] to work [illegible] the school's prettiest fellows [illegible] the girl's very best [illegible] will cavort [illegible] queerly [illegible] College Hall this Evening. As a [illegible] of the evening's [illegible] of the school's best [illegible]

——Y——

I walked along but did not move,
I moved but yet stood still,
Upon the street of boiling heat
I shivered with a chill

The night was dark I could not see
The light did hurt my eyes
And in that silent awful street
My ears were filled with cries

I met a girl I did not meet,
I saw but could not see
Her hair was black the blackest black
That white will ever be

She stayed right there and walked away
She was both large and small,
But when I turned to look at her,
She was not there at all

Now this is queer said me to I,
And I said "Yes" to me
"Here is a girl upon this spot
And yet I saw her flee"

I asked myself the question,
Whether I was seeing she
But while I thought the thought was gone
And I never answered me

"OBSERVATIONS"

A [illegible] little "Freshie" girl
Came to the B. Y. U
[illegible] was her intent
Her lessons to pursue
([illegible] she didn't)

She [illegible] looked and saw—let's see
[illegible] I believe
She gave a wink and then a smile
And her mind felt like a sieve
([illegible] bet it did)

She studied (?) hard most every night
From seven until ten
What progress did she make?—oh yes
[illegible] more of them
(No—not now)

The sports [illegible] added pleasure,
And [illegible] new [illegible] to view
The [illegible] now, I think;
[illegible] says "Chuo"
(It's surely not the tricks)

She talks about [illegible]
From morning until night,
If anyone else gets Nellie
[illegible] have to fight,
(I'll say he will)

[illegible] to Salt Lake
To cheer the Y boys
When the game came out with the [illegible]
[illegible] the latest toys
(Could she have gone too?)

They now believe in Ouija
[illegible] it has to say
[illegible] a wedding's coming
Not so very far away

A [illegible] shock was enjoyed by the White and Blue Staff when they discovered the [illegible] had been scrubbed.

SLUSH

His First Performance

"Who's dead?" asked the stranger viewing the funeral procession.
"The bloke what's inside the coffin," answered an irreverant small boy.
"But who is it?" the stranger pursued.
"It's the mayor," was the reply.
"So the mayor is dead, is he," mused the stranger.
"Well I guess," said the boy with [illegible]. "Do you thing he's having a rehearsal?"

——

Getting around his difficulty

There was a boy in the room that couldn't pronounce the letter r. The teacher gave him this sentence to read: "Robert gave Richard a rap in the ribs for roasting the rabbit so rare." He looked at it a few minutes then he read: "Bobby give Dick a thump in the slats for cooking the bunny so little."

——

Two can play at that game

"I find that my husband has been having the office boy call me up every day and [illegible] terms of endearment. [illegible] a nice way to fool his wife [illegible] been going to the ball games."
"How is it that you didn't catch on to his voice?"
"Well I'm busy at Bridge every day and I've been having the cook answer the telephone."

——

The Wrong Shift

Cheerful [illegible]: "Good evening, Pat. This is a [illegible] moonlight night."
[illegible]: "That may be, but it's not tonight that we want the [illegible] the dark nights."

——

Getting a Raise

"[illegible]" snorted the old lady, who [illegible] at the hotel getting [illegible] angry. "I won't have this room. I [illegible] pay my money to [illegible] sleeping on the [illegible] simply won't do it."
"[illegible]," said he. "This isn't your [illegible] the elevator."

——

One Shy

[illegible] fishing trip: "Heavens, the boat is sinking! Is there anyone [illegible] knows how to pray?"
[illegible]: "I do."
[illegible]: "All right, you pray. The rest of us will put on the life belts. We're one shy."

——

A necessary evil

"Your father is an old crank," said the youth who had been told by her [illegible] it was time to go.
The father heard the remark and [illegible]. "A crank is necessary in case of the lack of a self starter."

THE QUARREL

We were wretched, we had quarreled
[illegible] and I two years had pulled,
[illegible] was shattered, broken
[illegible] seemed on the verge of tears

"[illegible] you shall go this instant!
With tonight acquaintance ends!
I shall hate you always, always,
We shall never more be friends"

Nervous [illegible] on the sofa
[illegible] sat and did I stir
"[illegible] you hear me?" Jim was crying
"[illegible] Dan you [illegible]!"

Then I [illegible] voice a quiver
"You've no mercy for [illegible] chap,
[illegible] must truly leave you,
Jim dear [illegible] off my lap."

You're mocked by many a jest
[illegible] upon your coats,
They never give you rest

The Seniors bar you from their hops,
The Juniors from their games,
The Sophomores call you cabbage tops
And other insulting names

The teachers think it funny
[illegible] you [illegible]
[illegible] to be a dummy
[illegible] by their advice

Be humble [illegible] and every morn
Before you leave for school

A Toast from the Freshman

In looking back over the past [illegible] or five freshmen issues of the White and Blue covering a similar period of years there is one little verse that has been run in each issue. Whether it has become a tradition to run it or whether it has been pulled each year as original we are not in a position to say, however, not to [illegible] breaking custom and upsetting tradition we once more reproduce this soul inspiring Freshman National Anthem:

Here's to you as wise as you are
Here's to us as green as we are
But as wise as you are
And as green as we are
We're as wise as you are
As green as we are.

One of the Freshman [illegible] classes were sitting with [illegible] listening to the teacher discuss [illegible] important [illegible]. The teacher put the following question to the class: "What is matrimony?" Miss [illegible] answered immediately without taking any chances of [illegible] being called upon, and proceeded: "Matrimony is a state of punishment in which some [illegible] are permitted to suffer [illegible] in order to [illegible] heaven."

and pan after pair of stalwart youths dashed from the domestic science rooms to the faculty rooms with pan after pan and saucepan after saucepan of savory viands.

The boys lined up cafeteria style with an empty plate, took about two dozen steps and found in their hands a full plate. Where a moment before had been heaping piles of baked beans, sandwiches and salad now appeared deep gaping vacancies. Time elapsed then where a few moments before there had been full paper plates now appeared white and empty ones. The work of days had disappeared, gone, vanished. Where could it be? No evidence of it was in sight.
